Tracy Avenue Reconstruction Project

Dear Resident:

Stage 1 and 2

The final wear course will be paved on Monday, Oct. 24. The only remaining work before the roadway is open to traffic will be striping and this is expected to be done by Oct. 28.

Access to Colonial Way

Residents and visitors of The Waters and Colonial Church are encouraged to utilize the posted detour and accessing Colonial Way via Olinger Boulevard or Olinger Road, instead of driving through the project area. This will help ensure the safety of workers as well as the travelling public.

Communications

- Have questions or comments regarding this project? Call me at 763-287-7149 or aplowman@wsbeng.com or project inspector Kevin Overby at 612-360-1308.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/tracyavenue.

Safety

Safety is our number one concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

911 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
